## MEMBERSHIP APPLICATION

The British Peanut Council was formed in 1967 and is the only trade association in Britain to exclusively promote and protect the interests of the British Peanut Industry.

The BPC's activities focus mainly on the legislative and technical fields of operation, both in the UK and the European Community. The Council is consulted directly by the relevant authorities in Britain on matters affecting our members. The BPC is a member of the Federation of Oils, Seeds and Fats Associations Ltd (FOSFA International) which is a professional contractual and arbitral organisation representing the international trade in peanuts/groundnuts, and also enjoys close links with the American Peanut Council (APC). It has a broad membership of manufacturers, packers, producers, importers and brokers, together with representatives of the shipping, warehousing and distribution trades.

### MEMBERSHIP BENEFITS
